------	------------	------

1. Between 26 May and 14 June 1952, no air activity was observed at Neubrandenburg-Trollenhagen airfield except for a twin-engine plane which landed on 13 June.

2. On 16, 18 and 23 June, no aircraft were observed at the field or in its open hangars. There was a good visibility. Only a guard detail was at the field. [redacted] every week a biplane landed at the field and took off after a short time.

3. On 15 June, a motor vehicle column consisting of the following vehicles was observed leaving the field: tank truck [redacted] ambulance [redacted] and jeeps [redacted]. All the drivers wore black-bordered blue epaulets.

4. About 5:15 p.m. on 20 June, a multi-engine plane took off from the field heading east. Between 12:30 and 3 p.m. on 23 June, jet fighters practiced over the town. On 24 June, truck [redacted] occupied by 20 officers wearing black-bordered blue epaulets, was observed at the railroad station. Motor vehicles observed on 26 June [redacted] occupied by 3 officers and 1 EM wearing black-bordered blue epaulets and 2 women wearing civilian clothes, and [redacted] occupied by 10 officers and 3 EM who wore red-bordered black epaulets. *

* [redacted] Comment. The report confirms that Neubrandenburg-Trollenhagen airfield is not occupied by a tactical unit. The fighter regiment was transferred to Puegnitz on 10 March 1952. It appears that a rear detail of an air unit and a guard detail are still located at Neubrandenburg-Trollenhagen airfield.
